THREE NEUTRAL NATIONS JOIN IN PEACE MOVE

London, December 29—A dispatch from Copenhagen says the Danish, Swedish and Norwegian governments have instructed their legation to address to the governments of the belligerent countries notes in which the Scandinavian governments, adhering to the note of President Wilson concerning measures to be adopted for facilitating a durable peace, declaring they would consider themselves as failing in their duty toward their respective peoples and toward humanity as a whole if they did not express their most profound sympathy with every effort which may contribute toward putting an end to the sufferings and losses, moral and material, which are ever growing in consequences of the war. The three governments in conclusion cherish the hope that the initiative taken by President Wilson will lead to a result worthy of the generous spirit which prompted this action.

BRITAIN MAY BUY UP LIQUOR TRADE

London, December 29—The Daily Express states that the purchase of the drink trade by the States is believed to be imminent. Drastic action in the direction of further restrictions on the manufacture and sale of alcoholic beverages is certain in the immediate future, and present indications are that ownership by the State will be put forward as the swiftest and easiest method of handling the complicated problem.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
